2. FORUM RULES

These Operating Rules ("**Rules**") regulate the enabling and provision of the Forum by Soltec and the guarantees, terms and conditions of access and use of the Forum by Soltec's shareholders and any voluntary associations that may be formed in accordance with the prevailing regulations.

With respect to the Forum, these Rules supplement the Disclaimer on the Company's corporate website (www.soltecpowerholdings.com) which will be fully applicable to the access and use of the Forum, in all matters not amended or incompatible with the provisions of these Rules.

Soltec reserves the right to amend, at any time and without prior notice, the presentation, configuration, operation and content of the Forum, the Disclaimer and these Rules, without prejudice to the provisions of law.

3. ACCEPTANCE OF THE FORUM RULES

Registration as a user of the Forum ("**Registered User**") and access to and/or use of the Forum implies full and unreserved acceptance of the terms and conditions of the Rules and the Disclaimer on the Company's corporate website (www.soltecpowerholdings.com), in accessing the platform enabled for Voting and

Proxy.

Soltec will be considered the Forum Administrator under the conditions and with the powers provided for in these Rules, reserving the power of interpretation in case of doubt or discrepancy in the use of the Forum.

4. OBJECTIVE AND PURPOSE OF THE FORUM

The Forum is set up for the sole purpose of facilitating communication with Soltec's shareholders, and with any voluntary associations that may be formed, on the occasion of the call and until the holding of each General Meeting of Shareholders, if any.

By virtue thereof, Registered Users may send, for publication in the Forum, communications exclusively for the purpose of:

- Proposals intended to be submitted in addition to the agenda announced in the call to meeting.
- Requests for adherence to these proposals.
- Initiatives to reach the sufficient percentage to exercise the minority right provided for in the Law.
- Offers or requests for voluntary representation.

It is hereby stated for the record that, as described in the Call to Meeting, pursuant to the provisions of Articles 172 and 519 of the Spanish Corporate Enterprises Act and Article 9.6 of Soltec's General Meeting Regulations, shareholders representing at least three percent of the share capital may request the publication of a supplement to the call to the General Meeting, including one or more items on the agenda, provided that the new items are accompanied by a justification or a justified proposed resolution. The supplement to the call to meeting will be published at least fifteen calendar days prior to the date set for the Ordinary General Meeting of Shareholders.

Likewise, shareholders representing at least three percent of the share capital may, within five calendar days following publication of this call to meeting, submit reasoned proposals for resolutions on items already included or to be included in the aforementioned agenda.

The exercise of these rights must be made by means of irrefutable notification, marked for the attention of the Secretary of the Board of Directors (calle Gabriel Campillo s/n, Polígono Industrial "La Serreta", 30500 Molina de Segura), where the name or corporate name of the requesting shareholder or shareholders will be stated, and will be accompanied by the appropriate documentation (copy of the attendance card or certificate of legitimacy) that substantiates their status as shareholder(s).

5. REGISTERED USERS

Access to and use of the Forum is reserved exclusively to individual shareholders of Soltec, as well as to voluntary associations of shareholders of the Company validly constituted and registered in the special register of the National Securities Market Commission (“**CNMV**”) pursuant to the provisions of article 539.4 of the Spanish Corporate Enterprises Act.

In order to access and use the Forum, shareholders and voluntary associations of shareholders must enroll as a “Registered User” by completing the corresponding Forum Registered User registration form, proving their status as a Soltec shareholder or voluntary association of shareholders duly constituted and registered with the CNMV, in the manner indicated in the aforementioned form.

In the case of shareholders who are legal entities and voluntary associations of shareholders, the representation of the person seeking access to the Forum must be justified in the registration form, in the manner established therein.

Subsequent access and communication in the Forum may require the completion of a special usage form.

Access to and use of the Forum by Registered Users is contingent upon maintaining at all times the status of shareholder of Soltec or voluntary association of shareholders of the Company duly constituted and registered, in accordance with the applicable regulations.

If Soltec, in its capacity as Forum Administrator, at any time has reasonable doubts about a Registered User’s compliance with these conditions, it may require them to prove that they meet said conditions, as well as request the provision of any information or documents deemed appropriate for the verification of the points laid down herein.

The Administrator may request additional information from the Registered Users, as well as suspend or cancel the registration of those who do not prove compliance with the aforementioned conditions.

Communications made by shareholders who lose such status prior to the holding of the General Meeting of Shareholders, and any others that are related or linked to the above will automatically wane.

6. ACCESS TO THE FORUM AND PUBLICATION OF COMMUNICATIONS
